

The Turn Of The Century Electrotherapy Museum

<http://www.electrotherapymuseum.com>

Making History:

Master Glassblower Wolfgang Linschmann (glass blower for Rudolph Pressler Glass Works), Frank Jones, Master Glassblower Lutz Neumann (Historische Glasapparate und Lehrmittel), Rudolph Veit and Beate Coqui

**Ich glaube, das sind einige der größten Menschen auf der Erde.
Mit ihren Händen arbeiten Magie aus Glas, erstaunen die Augen und offenem Geist zu endlosen Kreativität.**

What's New in 2011... Part F

An Introduction To The Turn Of The Century Electrotherapy Museum

ON OFF - Crookes and Geissler Tubes from Mónico Sánchez
 PDF from the Ministry of Science and Innovation in Spain
 (<http://www.muncyt.es/stfls/MUNCYT/Publicaciones/off%20on%20muncyt.pdf>)

No puedo agradecer a Juan Pablo Rozas suficiente para enviarme este hermoso libro.
 Se trata de una magnífica producción y los personas han hecho un gran honor no sólo por su gran pionero de Sánchez, sino para todo el mundo que ahora se puede compartir la belleza de su obra. Estamos orgullosos de mostrar folletos y fotos de los aparatos en el sitio web de comunicaciones anteriores con Juan Pablo y la familia Sánchez.
 Es un gran honor ver el trabajo de este elegante.
